Notice Concerning New Orders

In order to achieve further business growth, our Group is aggressively expanding sales to a wide range of customers on a global basis. In the current fiscal year, we have received expanded orders for our strategic EV products such as differential assembly and parts for suspension system and have begun sequential mass production of these parts.

We hereby announce the major new orders for the current fiscal year.

1. [Expansion for differential assembly from Suzhou Inovance Automotive Co., Ltd. (Inovance)]

MAP-NT (Musashi Auto Parts (Nantong) Co., Ltd.) received an order from Suzhou Inovance Automotive Co., Ltd. (Inovance) for a differential assembly for emerging EV manufacturers in China. Production and delivery of these parts are scheduled to begin in May 2024. This is as a result of orders from an emerging OEM EV manufacturer additional to those already announced.

2. [Expansion for parts of suspension system from BYD Company Limited]

MAP-CH (Musashi Auto Parts (Zhongshan) Co., Ltd.) received an order from BYD Company Limited for a suspension ball joint applicable to the EV / PHEV of Ocean Series, the Destroyer 05. This is an expanded order following the Dynasties series of Tang, Han, Qin, and Song, the Ocean series of the Sea Leopard and Denza D9. Production and delivery of these parts began in May 2024.
